Dear Colleague,

Thank you for acting as a Site Visitor for WECAN!

You will be visiting a WECAN Developing Member as part of their two-year renewal process. The purpose of the WECAN Site Visit is to identify strengths and challenges, determine progress made since the last site visit two years ago, and to offer commendations and recommendations for the overall growth and development of the program on the path toward Full Membership in WECAN. Your site visit report will also be sent by the school or program to the WECAN Regional Representative for review.

The school or program should provide you with the following:

- this Cover Letter for Site Visitors
- WECAN Site Visit Guidelines for Developing Membership Renewal
- the WECAN Site Visit Report Form
- a completed Self-Study Update
- a copy of the previous Site Visit Report with commendations and recommendations made two years ago.

The WECAN *Membership Handbook* and Shared Principles (included in the *Handbook*) are also helpful sources of information as preparation for your visit. Please visit the WECAN website at [www.waldorfearlychildhood.org](http://www.waldorfearlychildhood.org) and click on "Membership".

We hope that your visit will go well, and that you can share impressions, make commendations and recommendations, answer questions and offer advice to the early childhood faculty. Please send your report to the school no later than 30 days after your visit. The school will send it on to us, and we look forward to reviewing it to complete their renewal process.

If you have questions, please contact us.

With warm wishes,

Susan Howard  
WECAN Coordinator

Andrea Gambardella  
WECAN Membership Coordinator
